

Kid's Rock Camps, Summer 2019

The Gulf Coast Gem and Mineral Society present annual summer programs for kids ages 9-17.

You will learn about rocks, minerals, fossils, gems and start your own collection with at least 24 specimens. Included are projects, printed materials, demonstrations, and the use lapidary equipment.

Camp 1 activities will allow you to earn badges in:

- Collecting
- Stone Age Tools & Art
- Identification of Rocks & Minerals
- Fossils
- Earth Processes
- Fluorescence
- Gemstone Lore & Legend
- Careers in Earth Science

Camp 2 activities will include badges in:

- Lapidary Arts
- Microscopic world
- Rocking on the computer
- Maps
- Other activities will include learning advanced mineral identification, lapidary processes, and students will learn how polish their own cabs

Bring a sack lunch. Bottled water and snacks will be provided.

NOTE: GCGMS Membership required. Membership form is on our website. www.gcgms.org
